Who we are

We are a dynamically growing company with retail stores, with the constant aim of modernisation and the fulfillment of new market requirements since 1962.

2007: opening of a new wholesale

and retail store in modern premises of 200 sq.m.

2023: a milestone year in the company's development when the acquisition of ASPIK is carried out. ASPIK is a cured meats unit of 2,500 sq.m., located in the Industrial Area of Kilkis, with a production capacity of 8 tons per day.

Products & innovation

Our products are made from whole cuts of meat and we strive to be unique and different from the ordinary, by curing our products under controlled procedures.

All raw materials pass through our hands, being controlled and held to high standards.

With the strictest taste and certification criteria, it is a key part of the company, where all recipes are 100% our own, knowing exactly what we do with love and passion.
