Education - Titles

Foreign Languages : English, Bulgarian

1988 : Graduation from "Rallios High School"

1990 – 1996 : Graduation from «Ivan Petrovits Pavlov» Medical School-A sector of the superior institute of medical studies

1996 : Acknowledgment of Medical Degree granted by the Interuniversity Recognition Centre of Qualifications Abroad of Athens, Greece

1997 : Acquisition of Official License for the practice of
medicine

2007 : Acquisition of the title of the medical specialty of
Nephrology

2007 : Acquisition of ESOT committee Diploma in Transplant
Coordination from the ESOT Committee

2007 : Acquisition of TPM Diploma (Course in Transplant
Coordination) in Advanced International Training for
transplant coordination

2008 : PhD Candidate with subject: "Interpretation of the
changes of Cystatin – C levels in patients with renal
transplantation and their relation based on their clinical
outcome"

Medical Work Background

2/1998 – 5/1998	Three-months compulsory training in internal Medicine, Surgery and Cardiology at Syros Hospital
5/1998 – 5/1999	Compulsory work (duty) at the Health Centre of Ios, Greece
5/1999 – 11/1999	Extension of stay granted at Health Centre of Ios, after request towards the Ministry of Health by local island authorities. Simultaneous occupation at Mykonos Health Centre
11/1999 – 2/2000	Resident of Neurology and Psychiatry at “DAFNI” Hospital
2/2000- 12/2001	Resident of Internal Medicine at the General Hospital of Syros
12/2001 – 6/2002	Internal Medicine resident positioned at Syros Hospital, after approval of the extension application of the hospital authorities by the Ministry of Health
10/2002 – 10/2006	Nephrology residency at «LAIKO» Hospital, Athens
10/2006 – 12/2010	Consultant in the outpatient clinic of renal transplantation at “Laiko Hospital”.
2/2007 – 01/2010	Medical Director of the Staff at the National Hellenic Transplant Organization
12/2009 – 04/2010	Medical director Nephrologist position in the Private Dialysis Unit “St. Nikolaosi” in Pireus
10/2006 – 12/2010	Fulltime Nephrologist position in the Private Dialysis Unit “Nephroiatriki” in Athens
01/2011 – to date	Medical Director Nephrologist position Dialysis Unit and Nephrology department “Iaso Thessalias”.

Administrative Activities

- Auditor – Doctor for Greek Insurance Security of the National Health Care System in the island of Syros and responsible for all the islands of Cyclades from 2000 to 2002
- Medical Director and consultant of the Staff of the Hellenic Transplant Organisation.
- Greek representative of experts in transplantation in the council of Europe, 02/2007 - 01/2010
- Greek representative of experts in transplantation in the European Union.
- Member of the working group of authors for the manual: “Indicators in

- Transplantation”.
- Member of the board of the UEMS – Division Of Transplantation for the European certificate for transplant coordination

Research / Participation in International Protocols

- Comparison study in relation to the use of immunosuppression regimens in patients with vasculitis
- Two multicenter studies in renal transplantation
 1. 1/7/2004 – 13/10/2006
Efficacy limiting Toxicity Elimination (ELITE) – Symphony Study
 - 21/7/2005 – 28/11/2006
Open blind study which compares the efficacy and certainty of sirolimus versus cyclosporine in a therapeutic combination which includes basilimax, mucophenolate mofetil and corticosteroids in De Novo recipients of renal allograft.
- Participation: “2010 Mircera Patient case studies program” June 2010.

June 2008

15^o Hellenic Nephrology Congress (18-21/6/06)

“Hyper Sensitized recipients of renal graft: comparison study.”

S. Marinaki, P. Papadaki, H. Synodinou, A. Gompou, A. Iniotaki, G. Zavos, I. N. Boletis

June 2010
2-5/06/2010

16th Panhellenic Nephrology Congress, Kos,

1. Influence of paracalcitol in proteinuria of chronic allograft nephrology.

S. Lionaki, G. Vlaxopoulos, S. Marinaki, A. Gompou, P. Skarlas,

I. Boletis

2. Renal transplantation of Greek patients abroad.

A. Gompou, G. Toka, I. Bokos, A. Iniotaki, G. Zavvos, I. Boletis

May 2012

17th Panhellenic Nephrology Congress, Killini,
10- 13/05/2012

Infection complications during 1st year after transplantation.

G. Kosmadakis, G. Daikos, I. Paulopoulou, A. Gompou, A. Kostakis, E. Tzanatou- Exarchou, I. N. Boletis.

Announcements in foreign Congresses – Scientific Meetings

October 2003

BANTAO – 6TH Congress of Balkan Cities Association of Nephrology, Dialysis, Transplantation and Artificial Organs

- «Comparison of the influence of ACE inhibitor Lisinopril and ATII receptor antagonist losartan in patients with idiopathic membranous nephropathy and nephrotic syndrome»

*S. Michail, G.Kosmadakis, N.Giapraka, V.Filiopoulos, N.Tentolouris, C.Georgoulas, D.Smirloglou, *A.Gompou, E.Stamataki, C.P.Stathakis*

- «The influence of angiotensin-converting enzyme inhibitor lisinopril in patients with idiopathic membranous nephropathy and nephrotic syndrome»

S.Michail, G.Kosmadakis, N.Giapraka, V.Filiopoulos, E.Stamataki, C.Gergoulas, D.Smirloglou, A.Gompou, T.Draganis, C.P.Stathakis

- «Comparison of cyclosporine and low dose methylprednisolone combination with cyclophosphamide and methylprednisolone combination in patients with nephrotic syndrome due to idiopathic membranous nephropathy»

*S.Michail, V.Filipopoulos, G.Kosmadakis, C.Georgoulas, I.Konstantinidou, *A.Gompou, D.Smirloglou, N.Giapraka, S.Lionaki, C.P.Stathakis*

- «Long term effects of corticosteroids on renal function and proteinuria in patients with IgA nephropathy»
