

INSTRUCTIONS FOR EDITING THE HONEY JAR MOCKUP SET

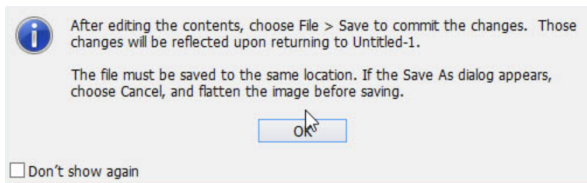

❤️ Thank you for download our product!

Step 1: Change Content

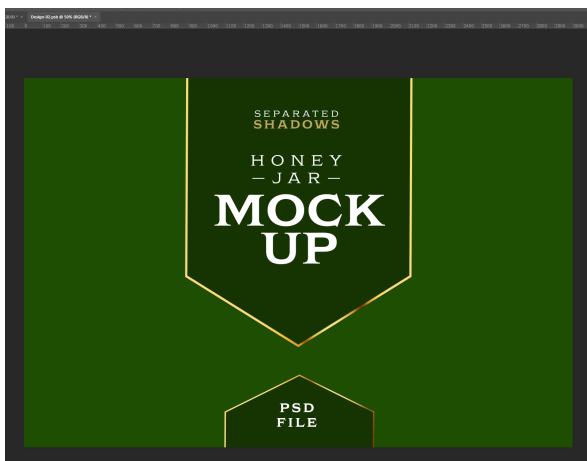

Double click layers marked with green color.

If you find this warning, just click OK.

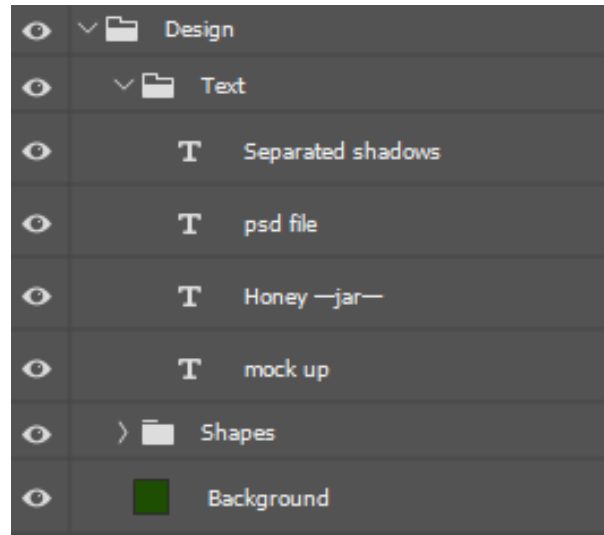

The layer will be opened as a new file.

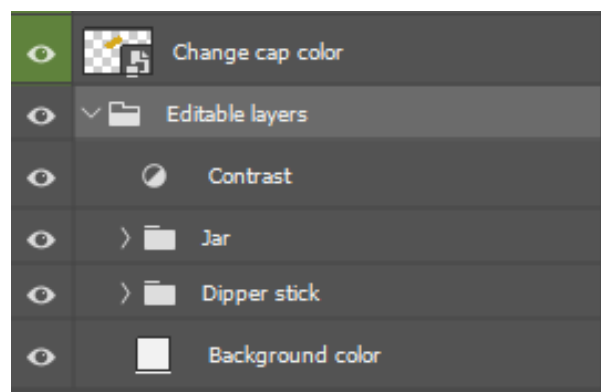

Step 2: Add Your Design

Paste your design inside the file.
Save (cmd, ctrl + S) and
Close (cmd, ctrl + W) the file.

Step 3: Change colors

You can change the background and cap color to any color click layer named "Background Color" and "Change cap color"
